NASTY

I really don't want to tell you how I got my name, but If you're nice to me I just might. You see, I was dining with some girlfriends and I ate escargot but none of the others would even try it. They called it nasty, and the name stuck. Then the guys got wind of it and when I started doing anal, they called me that too... but in a more affectionate way!

I was painfully shy growing up. When I went off to college my BFF gave me a small vibrator, saying I would need it. I loved it! Then I bought another and another, gradually getting larger ones. Then I discovered anal plugs, and guys that would fuck my ass. College life has been very much fun.

CUM FREAKS

For some women there's nothing more erotic than a mouthful of hot love liquid

"Sex without sucking is not even sex," claims Susan, a woman who loves to perform oral sex on her beau and can even experience orgasm as she feels his cum spurting down her throat. Susan is not a freak; many females are genuinely obsessed with semen and can achieve orgasm through the mere taste or feel of a male ejaculation.

Susan's own words give us an extraordinarily candid and provocative insight into why she craves cum.

"My boyfriend had been trying to get me to go down on him for a while before I finally did suck his cock. We were watching a really boring movie, and Jimmy as usual had his dick out and was urging me to "give it a little suck." We'd enjoyed ordinary fucking probably a hundred times before; but Jimmy had always worn a condom. I had never so much as seen or felt a drop of his cum. Frankly, I was getting a little sick of his begging.

So I swooped down and began sort of clumsily sucking on about a third of his cock. Jimmy was both surprised and pleased. He kept groaning about how great it felt. Then he came, filling my mouth to overflowing with his hot semen. And though it was strangely pleasant—and not at all bad tasting, mind you—it was, well, like the first time you hear a certain song that later becomes your favorite. It was okay, but nothing really all that special at first.

But Jimmy loved it. It was something new and different. So from then on I began to suck him off on almost every date. Within a week or two I was taking all of his cock down my throat and I was beginning to somewhat more than enjoy it. And then one night sucking suddenly became such a 'favorite song' of mine that something wonderful and unforeseen happened.

My parents were out for the evening so, we were hanging out watching TV at my house. Of course, Jimmy pulled out his cock during the first set of commercials; and of course, I was content to get to my knees in front of him to comfortably suck him off. But after about 10 seconds of leisurely sucking, going from the head of his

curved cock all the way down to his bunched-up balls, I began to tremble inwardly and salivate as profusely as if my cunt was anticipating the rich taste and sexy smell of his cum. I sucked hard, hungrily, whipping my tongue and slobbering up and down the shaft of his cock like some kid on an ice cream cone.

"Awesome, Susan!" Jimmy gasped. "You've never sucked that beautifully before! Damn, I'm gonna cum! And it feels like it's coming from my tailbone!"

His cum squirted into my mouth and down my throat as if from a broken garden hose. I had to swallow swiftly to keep from choking. He'd never fed me half that much before and its sexy, foamy flavor sent a set of tremulous ripples through my pussy that turned within seconds into the most terrific, cunt convulsing orgasm of my life!

I moaned, slurping semen like some vampire sucking blood, hearing Jimmy's whimpering groans as if from a great distance. I savored the last dregs of his sperm, which were so astringent they made my eyes water. Meanwhile, my cunt had turned inside out at the top of those climactic contortions.

"Sweet Jesus, Susan. You've just sucked all the marrow out of my bones!" Jimmy groaned weakly.

"But you loved it, didn't you?" I panted.

"Yes and no. It felt amazing. But the way you sucked, Susan...it was almost as if you were using my cock as a straw siphoning a milkshake! Damn, I'm really drained. My cock is already as soft and soggy as a wet taco!"

I laughed, but I was filled with a sort of scary new wonder about myself. I had gotten off harder than ever before in my life... and it had been Jimmy's big load of creamy cum that had pulled my trigger and turned that taste into a cunt-throbbing climax. I could hardly wait to try it again to see what would happen.

I waited an hour, and then began playing with Jimmy's limp cock, trying to get it to rise again. But no; his dick stayed as flaccid and spent as an old dollar bill. I really had drained him.

But the next day he was more than ready and willing. He told me, as I began to suck him off in the back seat of his car, that he'd had nothing on his mind but that 'beautiful blowjob' I'd given him the night before.

After maybe a minute of soft and easy sucking, that trembling inward eagerness came over me again. I began feasting on his cock like someone who hadn't eaten in three days. Damn, it was good! I kept moaning without even meaning to, and the feel of cock back against the back of my throat was far sexier than it had ever felt in my cunt. I knew as I slobbered on that sausage I would be gulping his lava and savoring its salty taste so much that it would make me come. And sure enough, Jimmy's anguished groan gave me a second's warning. He then he blew his big nuts even more fantastically than the night before. His spunk shot into my mouth and down my throat as if it were a firehose, and as I eagerly coaxed every drop I came so convulsively that it felt as if the walls of my cunt were caving in.

Looking back, it half frightened me! The pleasure was so agonizingly powerful that it amounted to pain almost pain. I sucked like a milk-machine that had gone mad. My jaws ached from the effort while Jimmy was moaning in pure ecstasy.

My eyes were swimming with stinging tears; my lips were smacking like a dog slurping water. And the flavor and smell of Jimmy's spurting cum were so mind-blowing that every drop sent waves of pleasure straight to my pussy.

When it was over, and poor Jimmy lay slumped there in the back seat cum-drained, I kept running my tongue around in my mouth, trying to recapture some last lingering residue.

"Was it good, Jimmy?" I winked.

"Yes, almost too good. Honestly, Susan. You make Linda Lovelace look like a thumb-sucker! And you came when I came, didn't you?"

I admitted with some embarrassment that I had, and then I tried to describe the feelings of eager anticipation

that came over me when I sucked his cock. I told him that his cum made me come much stronger and longer than when we fucked. He told me not to worry about it, adding that he'd always preferred a blowjob over fucking anyway.

Our sex life turned from good to better to sensational. I'd suck his cock every time we'd fuck. I mean, every

time. I was an obsessed cocksucker and Jimmy did his damndest to meet my demands by supplying me with a hot load of cum at least every other day. He became curious about the reaction his cum had on me.

One Friday night he brought me a condom full of cum that he'd jacked-off into; he sort of jokingly asked me to taste it. I was embarrassed and I felt foolish until I caught the familiar scent. I got instantly horny, and when I slurped up the big puddle of cum I began to gasp and tremble and within seconds I was groaning through clenched teeth.

We experimented—or at least Jimmy did. He learned I couldn't come when his sperm was in any way diluted, like in coffee. We also learned that even the sight of a big load of his sperm could get me totally excited. One night we streamed a porn flick, and when this stud came all over his girlfriend's belly I got so worked up and breathless I had to take a breather.

The smell of cum gets me all trembly and wet too. But the combination of sucking, smelling, and tasting was what it took to give me a really cunt-shattering climax. And the quantity of cum is important too. If we missed having sex for several days, Jimmy's supply would be bigger. And when he'd feed me one of those lovely loads my orgasms were always correspondingly stronger and longer lasting.

Jimmy was out of town once for a week with his par-

ents. I grew lonely and horny waiting for him; I finger-fucked myself a few times every day, trying to imagine as I did that I was swallowing Jimmy's luscious cream. He came home several days before his parents, so we had his house to use for our horny reunion. We were together for two wonderful days. I'll never forget all those peaks of pure pleasure.

After several long kisses and a few minutes of excited talk, we both undressed. Jimmy sucked my nipples for a spell; then I sat on the sofa and he went down on me, running his tongue up the cleft of my cunt to my clit and then licking gently. After a minute or so I was absolutely wild to suck his cock, so I pushed gently on his head and said, "Enough, honey. I'm so dying to swallow a load of your cum! Let's trade places!"

We did just that, and a few seconds later I was on my knees and I almost swallowed his big dick. I moaned gratefully as I slobbered, rooting blissfully from the tip of his cock down to balls, glancing up at Jimmy's face occasionally and feeling a warm surge of pride when I noticed his ecstatic expression. Jimmy loved having his cock sucked nearly as much as I loved sucking it; we were a perfect pair.

I sucked lightly, then harder, varying my lip pressure and content to wait patiently for Jimmy's first shower of cum. I shoved one hand back beneath his big tight balls and searched for his asshole with my forefinger. Finding it, I eased my finger deeply in and began beckoning with swift little flicks. Jimmy snorted, and then groaned; I looked up at his face and saw that his tongue was lolling out one side of his mouth.

Suddenly his cock puffed up like a toad and he moaned, snorting as he came, gushing sperm like a geyser and causing me to go wild. It was the best of the best! Jimmy's saved-up semen spurted out too copiously to be even swiftly swallowed; it oozed out over my lips and down my chin while I rooted rapidly through a climax that drove me crazy! His asshole was clamping down on my forefinger like a snapping turtle. His balls fired a volley that squirted against my chin.

That was the first of many mutual climaxes. Jimmy far surpassed himself with the endless supply of sperm he generated. We rested for an hour, talking quietly, before another sweet suck-off session. Then we rested even longer before I siphoned more of his silky semen.

Fast forward: Jimmy and I are married now and we both feel that our sex life is really perfect. We've learned through some heavy research that I have what's termed a "semen obsession." There is something in the taste, sight, and smell of cum that simply excites me so much that I orgasm.

I'm certainly not complaining and neither is Jimmy. Jimmy sucks my pussy every now and then, and sometimes we do 69. But I prefer the concentration of simply sucking him; to us, we both believe it's the most fantastic

way there is to enjoy climaxes that are both mind- and body-blowing.

There are women like Susan who live for semen, and others who truly enjoy giving head, and not for the sake of orally absorbing semen. "The heterosexual female who possesses a strong preference for fellatio [cock-sucking]," says sexologist William E. Hartman, Ph.D., "is very often an exceptionally generous and sanguine type; she derives as much or more pleasure from giving than from receiving."

In plain language, the consummate female cock-sucker is often merely trying her hardest to show a guy she loves by giving him pleasure. When she runs her wet lips to the swollen head of his stiff cock, then swallows

it without gagging to the balls, her head is repeatedly nodding "yes" to the fact that she is enjoying his enjoyment and patiently waiting for his final fulfillment to fill her mouth.

To call a guy a cocksucker is either to berate him or to label him gay. To call a chick a cocksucker is to (even though unknowingly) call her considerate, loving and unselfish... and often just plain horny. The semen-obsessed woman may unconsciously be equating sperm with a beneficial life force. "If semen can create life, it can also benefit and invigorate me," is the simplistic idea behind such an unconscious urge. And such thinking (whether conscious or unconscious) is not as far-fetched or absurd as it sounds.

Cum is a high-protein substance which possesses the entire B-complex and all the amino acids. "A woman in a lifeboat could remain hale and hearty," says nutritionist Peggy Styron, "If she were supplied with merely two oral dosages of sperm a day by a willing and cooperative man."

MARYANA

There are plush backsides, and then there is Maryana's. Try not to stare too much or you'll get drawn into the warm depths of it. Your cock will try to fill it long and deep while it tightens around you. She'll moan and scream while you thrust. Then she'll lick your cream and hope you'll do it again.

SWEET CHERRY

Doree was saving herself for marriage

I was having a cigarette in the alley out back, a long overdue break as I had been washing dishes furiously for the past two hours. It was good to get away from that blasted machine, good to relax (if only for a few minutes) and enjoy a smoke.

Leaning against the wall, I sighed and tried not to think about the remaining six hours of my shift.

Some rich family had placed a special order; the bakers were hustling like mad to prepare what amounted to a ton of food. Of course this meant a shitload of stuff for me to wash—pots, pans, baking sheets, mixing bowls, every kind of utensil imaginable, and on and on. The stuff kept coming, a regular avalanche of cookware. I was struggling mightily to just to keep up.

"A crummy dishwasher," I muttered, lamenting my lot in life. To make matters even worse my girlfriend refused to fuck me . . .

Doree was saving herself for marriage; or at least waiting for me to "pop the question" before putting out. Quite frankly I didn't think marriage was a good idea. Not now, anyway. Not until I could find a better job and start earning more money.

Still, I had been giving some thought to a proposal. This seemed the only way I'd ever get into Doree's pants. And I could always rescind the offer after taking her virginity. A terrible thing to do, sure, but I had needs that weren't being met. A hookup with some random slut had crossed my mind, but Doree—her conservative views aside—was the one for me. The thought of cheating on her made me ill.

Suddenly the back door flew open. My boss stuck his head outside and scowled. "I need you to run to the store." He proffered his credit card. "We're out of cherries."

I could hardly refuse, not if I wanted to keep my job.

"Sure thing," I told him. "Canned or fresh?"

"Fresh," he said.

I could've opted for the supermarket closest to the bakery; it was within walking distance, a mere two blocks away. I drove to Doree's instead.

She worked as a checker at a competing chain some five miles up the road. I did this from time to time when running errands for the bakery, dropping in on my girlfriend in the middle of her shift. She seemed to appreciate the surprise visits.

Doree was busy with a customer when I entered the store. She didn't see me as I made my way to the produce section. The fresh cherries looked good. I filled a plastic bag, weighed it, then returned to the front.

"Man," I said to Doree, "they'll let anybody work

in this place."

Her face lit up. "What are you doing here?"

"Cherry run," I told her.

She rang me up. "You're just in time."

"For what?"

"My morning smoke break."

"I'd love to, Doree, but we're busy as hell. I really need to get back—"

"But I need to tell you something."

"So tell me."

"I can't," she said. "Not here."

She smiled and squeezed my hand. Doree could be most persuasive when she turned on the charm. I turned to putty.

"Okay," I told her. "One cigarette."

Doree had parked on the far fringes of the mammoth parking lot. We sat in her car and smoked.

"So," I said, "what did you want to tell me?"

"I've changed my mind."

"About what?"

She twisted her cigarette in the filthy ashtray, prompting me to do the same. Then she peered at me thoughtfully. "I'm tired of waiting."

"Come again?"

"I want to fuck you."

I sat there in the passenger seat, utterly dumbstruck by what she had said. Had I even heard her correctly? I honestly didn't know.

Until she reached over and started tugging on my zipper.

Thankfully Doree's arcane views concerning sex hadn't prevented her from sucking my cock. She blew me on a regular basis, blew me like a pro.

But this time was different.

Given her shocking admission—I want to fuck you—this was a mere primer for something even better. She held back, pumping her head in my lap at a much slower clip than usual, lest she make me explode before the main event.

I had no idea what prompted her decision.

Nor did I particularly care.

Doree raised her head, and wiped her mouth with the back of her hand. "Are you ready, baby? Ready to be my first fuck?"

"You know I am."

Some of her coworkers had parked in the same remote area of the lot; they were all inside working. Doree was the only one currently on break. But we knew it was only a matter of time before one of them showed up to have a smoke or just sit behind the wheel and enjoy some quiet time. It would have to be a quickie.

I opened the passenger door and stepped outside, giving Doree room to get properly situated. She climbed over the center console and reclined the seat, laying there in her black work pants and blue knit shirt. I removed her right shoe, then shucked her right pant leg, gaining access to a pair of cotton panties which I pushed aside.

I mounted with haste.

Doree's pussy was the tightest I had ever had. She was my first virgin. The prospect was immensely exciting, hardening my cock to a heretofore unattainable level. I plunged repeatedly, marveling at the snugness of her snatch.

With this being her first time and all I felt it best to start out nice and easy. But Doree wasn't having it. She grabbed her ankles and pulled her legs back, splaying herself for a thorough reaming . . .

"Harder, baby! Fuck me harder!"

I did just that, thrusting my hips with power, jabbing my turgid rod in and out like a hot piston. Doree reached around and cupped my ass, pushing me even deeper inside her, urging me to double my efforts.

It wouldn't be long, I knew. Doree was almost there. I upped my concentration, doing my damndest to hold on until after she had come.

I made it with seconds to spare.

She wailed and writhed; this as I pulled out and finished on her stomach, milking my dick with a deft jerking motion. Doree's gasps matched my own as we recovered from our exquisite exertions.

"That was fantastic," she finally said. "Thanks for being so patient."

"Of course, baby. You were worth it."

I was late getting back to the bakery.

Still, I took my time walking from my car to the back door, pausing long enough to pop a cherry into my mouth. I grimaced. It was awfully tart.

Nothing like Doree's, nothing at all . . .

ORINA & KRISTINA

These two don't remember what initially attracted them to each other. Maybe it was personality, confidence, or the sexuality they exuded. Whatever it was turned out to be a strong sexual attraction and they acted on it. Having all day to themselves, and a bunch of fun toys, they let their inhibition loose so their pussies and butts could have a day of fun.

two butts, three cocks

SASHA & SAMANTHA

We were vacationing in the south of Spain when this guy approached us with an offer to visit a stone mansion nestled in the hills. He said there would be a couple friends there, along with a video camera. At first we were uncomfortable with that, but the thought of getting fucked and getting it on video would be fun for us. We said we would go if we could get butt fucked. After all that's why we came to Spain.
